MATHEMATICS OUTREACH PROGRAMMES

August 2016 – July 2017

Teacher's Enrichment Workshop

Week-long workshop for mathematics teachers of engineering colleges

One of IMSc's *Enriching Collegiate Education* series of workshops

Dates Monday to Saturday, 21 – 26 November 2016

Time 9.30 a.m. – 5 p.m.

Venue Chandrasekhar Hall, IMSc

The broad goal of IMSc's Enriching Collegiate Education series of workshops is to bring research mathematicians and college teachers together in an effort to enrich mathematics education in colleges. It is noteworthy in this context that IMSc is primarily a research institute. This particular workshop is being held as a Teacher's Enrichment Workshop, one of a series sponsored by the NCM.

More information is available on the web page of the programme at <http://www.atmschools.org/2016/tew/wmtec>

Speakers & topics

Sushmita Venugopalan (IMSc)	- Complex Analysis
Indrava Roy (IMSc)	- Laplace transform
P Sankaran (IMSc)	- Vector Calculus

To participate, visit the above web page and fill out the application form. The number of participants is limited to 60. Registration will be open until full capacity is reached. Those selected will receive an email invitation. Names and affiliation of selected candidates will be posted on the above web page.

Accommodation and travel arrangements are left entirely to the participants. The organizers do not have the resources to even field enquiries about these. You are thus advised to desist absolutely from making any such enquiry by any mode of communication whatsoever (phone / email / mail).

The workshop is free. Lunch and snacks will be provided to all participants free of cost. Certificates of participation will be issued. For more details about IMSc's maths outreach activities, please follow the links at <http://www.imsc.res.in/~knr/outreach/>

Conveners : Profs. P. Sankaran & K. Srinivas, IMSc, Chennai
