SCHOLARSHIPS FOR PURSUING DOCTORAL PROGRAM (Ph. D) IN MATHEMATICS FOR THE ACADEMIC YEAR 2015-16

The National Board for Higher Mathematics (NBHM) invites applications to appear for the joint screening test for (i) the grant of NBHM scholarships to students for pursuing research for a Ph.D. degree in mathematics and (ii) admissions to the Ph.D./Integrated Ph.D. programmes of certain institutions in India which include the Harish-Chandra Research Institute (HRI), Allahabad, the Indian Institute of Science Education and Research (IISER), Pune, and the Institute of Mathematical Sciences (IMSc), Chennai.

Who can apply?

Applicants for the NBHM PhD scholarship must be motivated M.A/M.Sc. (Mathematics) degree holders or final year students of these degree courses. They must have a good academic record (first class or equivalent grade in all years from Plus Two level to the present. Students having passed a B.Sc. (Honours) course with a second class may also apply, provided they have a masters degree or are in the final year of the same.

Students who wish to apply for the Ph.D/Integrated Ph.D. programmes of HRI, IISER, Pune, or IMSc must apply and appear for the written test. For this purpose, apart from the students mentioned earlier, motivated B.A./B.Sc./B.Tech./B.E. students with a consistently good academic record from Plus Two level as mentioned above may also apply. (For more details, visit www.hri.res.in, www.iiserpune.ac.in and www.imsc.res.in). Students for these doctoral programs need not apply separately to these institutions again.

Eligibility:

Eligibility to receive the NBHM Ph.D. scholarship is restricted to students who have completed their M.A./M.Sc. degree in mathematics on or before August 1, 2015.

The NBHM Scholarship

Successful candidates will receive a scholarship amount of Rs.16,000/- (Rupees Sixteen thousand only) per month for the first and second year and Rs.18,000/- (Rupees Eighteen thousand only) per month for subsequent years, a contingency grant of Rs.20,000/- (Rupees Twenty thousand only) per year and house rent allowance as per central government norms wherever applicable. The scholarships are normally for a total period of four years, sanctioned for one year at a time and renewable at the end of each year, subject to satisfactory progress. The enhanced amount of scholarship may be offered after evaluation by the Board at the end of the second year. If deemed fit, the scholarship may be extended for a fifth year at the discretion of NBHM.

To avail of the NBHM scholarship, successful students must enroll themselves in a recognized institution for a Ph.D. degree in mathematics. The scholarship will be paid through the institution they join. Part-time research students cannot avail of the scholarship.
Selection Procedure

Candidates must appear for a written test which will feature questions based on topics normally covered in masters degree programmes in mathematics. The test will be of **150 minutes’ duration** and will involve questions with short answers. Question papers of some earlier years will be available on the NBHM website (URL given at the top) and on the IMSc website (www.imsc.res.in, under “Quick Links”). Based on the performance in the written test, candidates will be short-listed for interview before final selection. The date of the written test is **Saturday, January 24, 2015**.

The written test will be conducted at the following centres, divided into five separate zones:

**Zone 1**: Chandigarh, New Delhi, Srinagar  
**Zone 2**: Allahabad, Indore, Jabalpur, Raipur  
**Zone 3**: Goa, Mumbai, Pune, Vallabh Vidyanagar  
**Zone 4**: Bhubaneswar, Guwahati, Kolkata, Ranchi, Shillong  
**Zone 5**: Bangalore, Chennai, Cochin, Hyderabad

**How to Apply:**

Applications should be made on **plain paper** in the format given at the end of this advertisement and should be sent along with a **recent passport sized photograph** and a self-addressed envelope affixed with a Rs.5/- postage stamp to the **address as given below for the appropriate zone** in which the candidate wishes to appear for the written test. The envelope containing the application should be superscribed **NBHM Ph. D. Scholarship**.

Applications should **not be sent to the NBHM office**. Names of two centres from the respective zone must be clearly indicated, giving the order of preference. A centre of the candidate’s choice will be allotted, as far as possible. If necessary, the zonal coordinator may assign a centre close to the indicated alternatives.

**Addresses of zonal coordinators for sending completed applications**

**Zone 1**  
Prof. Gurumeet Kaur Bakshi  
Department of Mathematics,  
Punjab University,  
Hans Raj Gupta Hall,  
Chandigarh-160 014.  
email: gkbakshi@pu.ac.in

**Zone 2**  
Dr Kalyan Chakraborty,  
Harish-Chandra Research Institute,  
Chhatnag Road, Jhusi,  
Allahabad-211 019.  
email: kalyan@hri.res.in

**Zone 3**  
Prof. Nitin Nitsure  
School of Mathematics,  
Tata Institute of Fundamental Research,  
Homi Bhabha Road, Colaba,  
Mumbai - 400 005.  
email: nitsure@math.tifr.res.in
Zone 4:
Prof. Amites Dasgupta, email: amites@isical.ac.in
Stat-Math Unit,
Indian Statistical Institute,
203 B.T. Road,
Kolkata-700 108.

Zone 5:
Prof. S. Kesavan, email: kesh@imsc.res.in
Institute of Mathematical Sciences,
C.I.T. Campus, Taramani,
Chennai - 600 113

Deadline:

The last date for receipt of completed applications is Monday, December 8, 2014.

A communication calling the applicant for the written test (hall ticket), together with the allotment of centre, will be sent so as to reach the candidates by Monday, January 5, 2015. In the event of an eligible applicant not receiving a communication regarding the test by that date, She/He should contact the zonal coordinator to whom the application was sent to find out the status of the application and for appropriate remedial measures.

A hall-ticket sent by a zonal coordinator is normally necessary to appear for the test. In exceptional cases, eligible candidates may be admitted to the test, at the discretion of the centre-in-charge of the appropriate centre. For this purpose, the applicant must contact the centre-in-charge suggested by the appropriate zonal coordinator. Information about test centres and persons-in-charge may be obtained from the zonal coordinator, NBHM website or by contacting NBHM office (address at the top).

Important Dates:

December 8, 2014 Last date for receiving applications.
January 5, 2015 Applicant should contact zonal coordinator if hall ticket is not received by this date.
January 19, 2015 Applicant should contact centre-in-charge suggested by zonal coordinator if hall ticket is not received by this date.
January 24, 2015 Date of written test.
PROFORMA

National Board for Higher Mathematics

Application for Ph.D. Scholarship in Mathematics

(1) Name (in BLOCK LETTERS); (2) Date of birth; (3) Nationality; (4) Gender (Male/Female); (5) Choice of two centres for test in order of preference from the list of centres in the zone to which application is sent; (6) Address for correspondence (IN BLOCK LETTERS) with PIN code; (7) email address; (8) Telephone, Landline (with STD code)/mobile; (9) Name and address of current institution of study/affiliation (if applicable); (10) Class in which you are currently studying and Course (if applicable); (11) Details of academic qualifications beginning with Matriculation, School Leaving Certificate or equivalent, in the following format:

<table>
<thead>
<tr>
<th>School/College/Institution</th>
<th>Board/University</th>
<th>Name of Examination passed</th>
<th>Year of passing</th>
<th>Division/class and % of marks obtained</th>
<th>% of marks in Mathematics</th>
<th>Subjects</th>
</tr>
</thead>
</table>

(12) Any other relevant information in support of your candidature including Awards or Scholarships (13) whether you have applied for NBHM Scholarships in the past. If ‘yes’, give year(s) of application, whether called for test/interview and the outcome.

(Signature of the applicant)
