Sealed Tenders are hereby invited on behalf of the Director of Institute by Registrar, Institute of Mathematical Sciences, CIT Campus, Tharamani, Chennai - 600 113, Tamilnadu from the reputed manufacturer/authorised distributors and those who have supplied such materials to the government/semi government/Public sector undertaking/Autonomous Institution/Reputed R&D Institution/Educational Institution/Reputed firms/organizations/colleges during the last three years for the following Works:-

Nature of Work: : SUPPLY, INSTALLATION, TESTING AND ACCEPTANCE OF 1) REPLACING EXISTING STORAGE SOLUTION OF LUSTRE FILE 2) DATA BACKUP SERVER OF CAPACITY 80 TB

Earnest Money Deposit : Rs. 80,000/-

Security Deposit : 10% of the tendered cost

Cost of Tender Documents including VAT (Non-refundable) : Rs.525/-

Tender documents can be had on written request on any working day from 18-9-2015 to 15-10-2015 on payment of the cost of the tender document in cash in person or by demand draft (drawn in favour of "The Institute of Mathematical Science", Chennai) (this amount is not refundable) from the Accounts Officer, IMSc, Chennai 600 113.

Tenders will be received up to 15.00 Hrs on 15-10-2015 by the Registrar, Institute of Mathematical Sciences, CIT Campus, Tharamani, Chennai - 600 113 and will be opened on the same day at 15.30 Hrs in the presence of attending tenderer.

Tenders not accompanied by the following are liable to be SUMMARILY REJECTED.

1. Demand Draft of a scheduled bank guaranteed by the reserve bank of India for Rs. 80,000/- towards Earnest Money Deposit indicated above in favour of The Institute of Mathematical Science, Taramani, Chennai -113.

   NOTE: CASH, CHEQUES AND BANK GUARANTEE FOR EARNEST MONEY DEPOSIT WILL NOT BE ACCEPTED

2. The Contractor shall be required to place the Part-I (Techno-commercial), Part-II (Price) and the envelope containing EMD and tender fee should be kept in a separate sealed envelope (total 4 envelopes) and all the four sealed envelopes should be kept in a common envelope and this envelope should again be sealed and super scribed with the purchaser's tender number and the last date and time specified for receipt and opening indicated in the tender document

3. PAN Certificate in the latest approved form - Details of sales tax/VAT registration including details of commercial tax office with whom they are remitting this tax.

4. Tender documents can be downloaded from the website https://www.imsc.res.in/tender and in that case the tender fee should also be submitted along with EMD. Otherwise the tender will be rejected.

Registrar, Institute of Mathematical Sciences reserves the right to reject any or all Tenders or to allot parts of the works to different agencies without assigning any reasons therefore.

Registrar,
For and on behalf of the Director, IMSc
TENDER DOCUMENT

FOR

SUPPLY, INSTALLATION, COMMISSIONING, TESTING AND ACCEPTANCE

OF

1) REPLACING EXISTING STORAGE SOLUTION OF LUSTRE FILE
2) DATA BACKUP SERVER OF CAPACITY 80 TB

Tender Notice No. Tender Document/22/2015

Last Date and Time for downloading Tender Documents up to: 15th October 2015 12:00 hrs

Last Date and Time for Submission of Tender: 15th October 2015, 3.00 PM

Tender opening date and time (Part I): 15th October 2015, 3.30 PM

Tender opening date and time (Part II): November 09, 2015, 3.30 PM
THE INSTITUTE OF MATHEMATICAL SCIENCES
IV Cross Road, C.I.T. Campus, Taramani, Chennai 600 113.

SECTION 'A' INVITATION TO TENDER AND TENDERING CONDITIONS

TWO PARTS TENDER

SECTION-A

1.0 INTRODUCTION:
The Institute of Mathematical Sciences (IMSc) is a national institute for fundamental research in frontier disciplines of the Mathematical and Physical Sciences: Theoretical Computer Science, Mathematics and Theoretical Physics.

2.0 INVITATION TO TENDER:

2.1 Director, Institute of Mathematical Sciences, IV Cross Road, C.I.T. Campus, Taramani, Chennai invites sealed technical and commercial quotations in duplicate in separate envelopes for supply, installation, commissioning, testing and acceptance of Replacing Existing Storage Solution of Lustre File & Databackup server of capacity 80 TB from reputed manufacturers/dealers exclusively authorized by the OEM/authorised dealer should have minimum one installation of Lustre File system or equivalent parallel file system and those who have executed similar work in any of the Government/Semi government Department/Public sector undertaking/Autonomous Institution/Reputed R&D Institution/Reputed firms/organizations. This institute being an autonomous Premier Research/Educational Institution under Govt. of India, discount as applicable to Research Institutes / Educational Institutes may be provided in the quote.

2.2 The conditions of contract/purchase order that govern the contract pursuant to the tender are as contained in general conditions of contract which is provided as Annexure to this tender document.

3.0 MANNER AND METHOD FOR SUBMISSION OF TENDERS:

3.1 All tenders in response to this invitation shall be submitted in two parts as under and in different sealed envelopes.

a. Part-I (Techno-commercial): This part of the tender shall include/contain all technical details, technical specifications, drawings and also the commercial terms and conditions of the contract for the supplies to be made and the services to be rendered EXCLUDING ANY PRICE DETAILS THEREOF.

b. Part-II (Price): This part should contain only the prices of the stores offered for supply and the charges for the services to be rendered including post warranty AMC charges for 3 years.
3.2 The tenderers will co-relate the prices in Part-II (Prices) of the tender with the description of the stores indicated in part-I (Techno Commercial) by allotting a running serial number in the stores in order to enable the purchaser to identify the prices with the relative items in Part-I (Techno-commercial).

3.3 Part-I (Techno-commercial), Part-II (Price) and the envelope containing EMD and tender fee should be kept in a separate sealed envelope (total 3 envelopes) and all the three sealed envelopes should be kept in a common envelope and this envelope should again be sealed and super scribed with the purchaser's tender number and the last date and time specified for receipt and opening indicated in the tender document and should reach The Registrar, Institute of Mathematical Sciences on or before the time and date specified for its receipt. The Part I cover should indicate “Replacing Existing Storage Solution etc., Tender – Part I”, Part II cover should indicate “Replacing Existing Storage Solution etc., Tender- Part II”, the cover containing EMD/ Tender Fee should indicate “Replacing Existing Storage Solution etc., Tender – EMD/Tender Fee”.

3.4 If the tenderer includes price of any nature in Part-I (Techno-commercial) of the tender such offers are liable for rejection without any notice to the tenderers.

3.5 Late/Delayed tenders: If the envelope containing Part-I, Part-II, EMD and Tender Fee doesn't reach The Registrar, Institute of Mathematical Sciences on or before the due date and time specified for its receipt, such tenders will be treated as late tenders and will neither be opened nor considered by the purchaser and will be summarily rejected.

4.0 OPENING OF TENDERS:

4.1 Unless otherwise preponed or postponed with advance intimation to the tenderers, tenders will be opened in two stages at IMSc on the date and time indicated in this tender document.

4.2 Part-I(Techno-commercial) of the tender will be opened at the first stage on the due date and time indicated for opening and Part-II (Price) tender will be opened at the second stage on the due date and time indicated for opening after completion of the evaluation of the techno-commercial part (Part-I of the tender). Technically qualified tenders will be intimated regarding opening of Part II and they can participate in the Part – II tender opening. In case of any pre-ponement/post-ponement of opening of part – II the same will be informed to the successful bidders.

5.0 TECHNICAL CLARIFICATION:

After opening the Part-I (Techno-commercial) of the tender, if it becomes necessary for technical authorities to seek clarifications from the tenderers the same will be sought for from the tenderers by the technical authorities. In such an event, the tenderer shall furnish all technical information/clarifications to the concerned technical authorities directly to reach on or before the due date and time fixed by the technical authorities indicating the purchaser's tender reference. If the technical clarifications/details sought for by the authorities from the tenderers do not reach them on or before the due date and time fixed for its receipt, such tenders will be liable for rejection at the discretion of the Director, Institute of Mathematical Sciences without any further notice. The tenderer should not, however,
furnish altogether a new offer at this stage which is different from the purchaser's tender specification.

6.0 SUBMISSION OF REVISED PRICE BID:

Normally revised price bid will be called for from the technically qualified vendors, if there is substantial change in the tendered specifications. If there is minor additions/deletions or minor modifications with the tendered specifications and if it is having a bearing on the price, an additional price bid will be called for from the technically qualified vendors and this bid will also be considered with the original price bid submitted. Director, Institute of Mathematical Sciences will decide based on the recommendations of the Tender Committee whether revised price bid is to be called for or not.

7.0 VALIDITY OF THE OFFERS:

The offer shall be kept valid for acceptance for a period of 90 days from the due date for opening of Part-I of the tender. Offers with shorter validity period will be liable for rejection.

8.0 EARNEST MONEY DEPOSIT:

The tenderer should submit Earnest Money Deposit (EMD) for Rs. 80000/- in the form of Demand Draft/Banker's Cheque payable at Chennai drawn in favour of Institute of Mathematical Sciences from a schedule bank/reputed international bank. This EMD will be treated as part of the Security Deposit against the successful bidder and EMD obtained from other tenderers will be returned to them after finalisation of the purchase. Tenders submitted without EMD will be summarily rejected. Similarly tenders received without tender fee will also be summarily rejected.

9.0 TERMS AND CONDITIONS OF THE CONTRACT:

Any contract concluded against this tender shall be governed by the general conditions of contract which is included as an Annexure to this tender document. Tenderers must, therefore, take special care to go through these general conditions of contract and in exceptional cases, if any deviations are proposed, these must be clearly indicated in Part-I of the tender as a separate annexure instead of merely enclosing their printed conditions of sale. If there are too many deviations from the general conditions of the contract, those tenders may not be considered further. If no deviations are indicated, it will imply that the tenderer is willing to execute the contract as per general terms and conditions of contract attached with the tender document.

10.0 PRICE:

The price quoted are for safe delivery at IMSc premises including installation, commissioning, acceptance and must be firm throughout the validity of the contract. If prices are quoted subject to variation it shall be on the basis of a standard price variation formula. The basis for calculation shall be clearly stated. There should be a ceiling on escalation. The price bid should be based on the safe delivery including satisfactory installation and commissioning at the premises of the Institute of Mathematical Sciences. However, the breakup of price including ex-works/FOB duly packed airworthy,
cost details like, cost of the H/Ws, S/Ws, agency commission, installation and commissioning charges, sales tax/VAT, excise duty, warranty, custom duty and safe delivery charges etc. should be furnished. Vendor to make sure that there are no calculation mistakes in their offer and the total price shall be written both in figures and words. If there is any discrepancy between the price quoted in words and figures, the price indicated in words will be treated as final price. Indian firms should quote their prices only in Indian rupee. Order an foreign currency will be placed only of the order is placed on original Equipment Manufacturer.

11.0 CUSTOMS / EXCISE DUTY EXEMPTION CERTIFICATE:

The Institute being a government funded autonomous institution under Government of India for availing the Customs Duty/Excise Duty exemption and recognised as SIRO by Government of India, Ministry of Science and Technology up to 31.3.2016. The Institute will produce necessary essential documents if any towards exemption required for processing the order. However while comparing the price with the price on the landed cost at IMSc premises including custom duty/excise duty and all other tax and duties etc. at the prevailing rate will be taken into account for comparative purpose.

In case of CENVAT reversal if any, it should be taken care while quoting the rate. If CENVAT reversal is claimed separately the same should be clearly brought out in the tender.

12.0 DEVIATIONS TO PURCHASER'S SPECIFICATIONS AND CONDITIONS OF CONTRACT:

If any deviation or substitution from the technical specifications contained in Section B of this tender document is involved, such details should be clearly indicated in Part-I (Techno-commercial) and should be added as an annexure to Part-I of the tender as otherwise it shall be an admission on the part of the tenderer that he will supply the equipment as specified by the purchaser. Normally tenders with too many variation with tendered specifications are likely to be rejected.

13.0 DELIVERY:

The stores covered by this tender document should be supplied on or before the due date indicated in the purchase order/contract. In case if the stores are supplied after the due date the same is delivered at the risk and cost of the supplier and the Institute will not give any guarantee for acceptance of the material.

15.0 CAPACITY AND FINANCIAL STANDING:

In case, it is found that the tenderer does not posses the requisite infrastructure, capacity, capability, trained personal for after sales service & AMC services and their financial standing is not satisfactory, such tenders are liable for rejection by the purchaser. All the above particulars for the last five years should be submitted along with Part-I techno commercial bid.

16.0 EXPORT LICENSE / EXPORT PERMISSION:
It is entirely the responsibility of the Contractor who is quoting for the materials of foreign origin to ensure necessary permission / license / authorisation as required from the respective government is obtained before arranging shipment. Institute of Mathematical Sciences will not be responsible for arranging these documents.

17.0 COUNTRY OF ORIGIN:

Where ever the supplier quoted for imported stores, the country of origin of the stores, port of despatch, port of entry and manufacturer's name and address must be clearly specified in the offer.

18.0 OFFERS BY FAX, CABLE, TELEGRAM AND EMAIL:

Offers sent/submitted by fax, cable, telegram and email will not be considered at all and are liable for rejection without any notice to the tenderers.

19.0 RIGHT TO ACCEPT THE TENDERS:

The Institute shall be under no obligation to accept the lowest or any other tender received in response to this tender notice and shall be entitled to reject any or all the tenders without assigning any reason whatsoever; taking into consideration of the interest of the Institute, the decision of the Institute shall be final. **The Institute reserves the right to place the order for part or reduced quantity than what is specified in the tender.** Tenders, which are not complete in all respects, are liable for rejection.

20.0 UPGRADEATION:

Any additional support that will be provided after installation in optimization of scientific codes should be stated. All upgradations within the warranty period should be done without any additional cost. Options, including financial implications and payment schedule, for future upgradation after the warranty period should be indicated.

21.0 OPTIONS:

An authorised agent can submit quotation only on behalf of one principal. However the authorised agent is free to submit more than one configuration for the same principals in their bid (not more than one bid). Each vendor can submit one bid only, of course with more options of the same manufacturer.

22.0 WARRANTY:

The tender must include a comprehensive on site warranty for a minimum period of three years and any financial implications on this account should be separately indicated. Charges for annual comprehensive maintenance for a further period of three years should also be indicated.

23.0 BRAND NAME:

Make/Brand name of the product offered must be specified in the offer.
SECTION 'B' TECHNICAL SPECIFICATIONS

As per Table-I attached
Desired Storage solutions

I: Replacing existing storage solution of Lustre File System with 30TB
II: Data backup server of capacity 80TB
III: Scope of Work
IV: Technical terms & conditions

I: Replacing existing storage solution of Lustre File System with 30TB

30TB usable LFS after 10% snapshots and RAID
Suitable version of OpenSource LFS configuration which should support the existing
cluster nodes running under SLES 11 sp1
Should be configured with “No single point of failure”

1) I/O Nodes:
Minimum 2 I/O nodes to serve MDS and OSS services
Each I/O nodes should have Dual 8 Core Intel Xeon E5 v3 Processor with minimum of
2.4GHZ with 20MB cache
48GB/Processor or more DDR4 RAM at 2133 Mhz(evenly populated the memory channels)
2x300 GB SATA 7.2K rpm (or higher ) for OS
Additional 600GB SSD or more for MDS in Suitable configuration method(Preferably
DRBD over IB for RAID1 redundancy)
Necessary Redundant power supply with +90% High-efficiency
Dual Gigabit Ethernet ports
Dedicated Intelligent management Ethernet port for KVM over IPMI-v2 (or equivalent) with
full GUI and CLI support under LINUX
Rack mountable, Lowest foot print design(preferably 1U)
Should support for PCIe IB interface cards as referred in the Options
Compatible with 64Bit Enterprise Linux (Latest Cent OS)

1a) Option – 1 for I/O nodes:
   i. PCIe card Single Port 40Gbps QDR Mellanox Infiniband and necessary cables to
      connecting FDR 40Gbps and DDR 20Gbps network using CX4 suitable connectors
   ii. PCIe card Single Port 56Gbps FDR Mellanox Infiniband with cables for
        communication between I/O nodes

1b) Option – 2 for I/O nodes:
PCle Dual port FDR 56Gbps Mellanox Infiniband card(single card) with necessary
cable for connecting FDR 56Gbps and DDR 20Gbps network using CX4 suitable connectors

2a) Option – 1 Controller Based SAN(for item 1)
    Dual I/O controllers, minimum 2GB cache with Battery Backup/Controller
    Necessary number of 8Gbps Fiber Channel port to interface with I/O nodes and
    6 Gbps SAS ports for Disks
    HBA cards in I/O nodes with necessary no. of ports to interface with this SAN
    Optimized for multi-path configuration with I/O nodes
    RAID Level:
    Minimum 5 numbers of RAID 5 volumes with optimal hot spares to
    achieve 30TB usable after 10% for snapshots and RAID configuration.
    Hard disks:
    SAS disks with 10k/15k rpm (Quote for both rpm disks as Options – 1 a/b)
GUI and CLI management software support for CentOS Linux.

2b) Option – 2 RAID Card with EBOD/JBOD(for item 1)
Hardware RAID Card in I/O nodes, minimum 2GB cache with Battery Backup
Necessary number of 6 Gbps SAS ports connecting proposed EBOD/JBOD
(preferably dual SAS ports for making optimized multi-path)

Raid Level:
Minimum 5 numbers of RAID 5 volumes with optimal hot spares to
achieve 30TB usable after 10% for snapshots and RAID configuration.

Hard disks:
SAS disks with 10k/15k rpm (Quote for both rpm disks as Options – 2 a/b)

GUI and CLI management software support for CentOS Linux.

3) Benchmarks for the above:
Quoted LFS solution should produce a minimum of 2GBps throughput for
R/W as required to be performed in the IOR/IOZONE benchmarks
with 1MB block size on LustreFS run from Client nodes.
Documentary evidence should be submitted

II: 80TB Data Backup server

1) Server Node should have 2 x 8 Core Intel Xeon E5 v3 Processor with minimum of 2.4GHz
with 20MB cache
48GB/Processor or more DDR4 RAM at 2133 Mhz(evenly populated the memory channels)
2x300 GB SATA 7.2K rpm (or higher ) for OS
80 TB usable capacity after RAID5(software) using 7.2K rpm NLS hot-pluggable drives with
dedicated hot spare. Capacity expandable to a maximum of 100TB
Necessary Redundant power supply with +90% High-efficiency
Dual Gigabit Ethernet ports
Dedicated Intelligent management Ethernet port for KVM over IPMI-v2 (or equivalent) with
full GUI and CLI support under LINUX
Rack mountable, Lowest foot print design(preferably 1U)
Should support for PCIe 1B interface cards as refered in the Options
Compatible with 64Bit Enterprise Linux (Latest Cent OS) with Lustre modules to support
existing Lustre servers running 2 different versions

1a) Option – 1 for Server Node:
i. PCIe card - Single Port 40Gbps QDR Mellanox Infiniband and necessary cables to
connecting FDR 40Gbps and DDR 20Gbps network using CX4 suitable connectors
ii. PCIe card - Single Port 56Gbps FDR Mellanox Infiniband with cables

1b) Option – 2 for Server Node:
Pcie Dual port FDR 56Gbps Mellanox Infiniband card(single card) with necessary
cables for connecting FDR 56Gbps and DDR 20Gbps network using CX4 suitable
connectors

Warranty : 3 years on-site with 24x7x4 hrs service/support for the above
III. Scope of Works:
**30TB LustreFS Solution**

1. 2 I/O nodes should be configured for High Availability(automated) with
   - Active/Passive fail-over for the MDT services and
   - Active/Active fail-over for the OST services
   - Configure the SSD for MDT with DRBD over IB(FDR) and LAN to achieve Disk redundancy and HA
   - Latest Enterprise Linux OS, preferably CentOS should be installed
   - Optimized multi-path configuration between I/O nodes and Storage
   - Minimum 5 number of RAID5 volumes with optimal hot spares

2. File-System should not go down even if one node fails
3. Configure LustreFS with Multiple mount point protection (MMP).
4. Mounting and Unmounting without any error in client nodes
5. Clean loading and unloading Lustre modules in client and I/O nodes
6. Suitable Lustre version which support SLES 11 SP 1 clients (minimum 130 nodes)
7. Required benchmark of 2GBps throughput should be demonstrated from client nodes
8. In I/O nodes each OST and MDT mounts are pined to processors & memory using cgroups
9. OST and MDT mount points must be load balanced among the nodes.
10. Configure NTP client in all I/O nodes and RAID controllers
11. Email Alert for
    - HA – failure and fail-over alert
    - OST – mount failure alerts
    - MDT – mount failure alerts
    - MMP – alerts
    - Early warning of over utilization of RAM, MDT and OST
    - RAID Controller – Alerts for raid optimal state, disk failure, hot spare use, temperature alert, multi path alerts and any other critical alerts for the controller.

12. If required additional supporting modules are to be installed in 130 client nodes
Required LustreFS Storage solution

56Gbps Infiniband Network
(Suitable Lustre server with
I/O nodes
And latest Enterprise O/S)

IB

20Gpbs DDR Infiniband
Client nodes network
(SLES 11 SPI
Total 130 nodes)
Scope of work – 80TB Backup server

1. Server should be loaded with Latest Enterprise LINUX OS, preferably Cent OS
2. Email alert for disk failure and other alerts
3. ZFS with RAID5 and de-duplication
4. Scheduled backup from Lustre servers using Lustre modules
5. Scheduled backup from NFS servers
6. Incremental backup
7. Mount file system-->backup-->unmount the file system
8. Configure the Infiniband port to connect both 56Gbps FDR network and 20Gbps DDR network using CX4 connectors

Schematic diagram
IV. Technical terms & Conditions:

1) Proposed solution by OEM/SI should be enclosed in detail with diagrams.

2) OEM/SI should have prior experience in setting up the LustreFS or equivalent parallel FS – documentary evidences should be enclosed.

3) OEM involving with server & storage should have expertise and directly involve during deployment of proposed LFS storage solution as required and during the warranty/AMC period. In this regard, an undertaking should be produced by the OEM for an authorized Bidder/System Integrator/Contractor.
SECTION 'C' FORMAT FOR SUBMISSION OF PART I (TECHNICAL OF THE TENDER)

Table II: Format for Submission of Part II (Price of the Tender)
Annexure to Tender No.: Tender Document/22/2015

GENERAL CONDITIONS OF CONTRACT
1.0 DEFINITIONS:

1.1 The term 'Purchaser' shall mean The Director, Institute of Mathematical Sciences or his successors or assigns.

1.2 The term 'IMSc' or 'Institute of Mathematical Sciences' shall mean the Director, Institute of Mathematical Sciences who is in charge of administration of the Institute, an Autonomous Institution under Government of India or any other Officers authorised by him for the time being to execute contracts relating to the purchase and supply of stores on behalf of the Purchaser.

1.3 The term 'Contractor' shall mean, firm or company with whom or with which the order for the supply of stores is placed and shall include the Contractor's representatives, heirs, executors and administrators unless excluded by the contract.

1.4 The term 'Stores' shall mean, what contractor agrees to supply under the contract as specified in the 'Purchase Order'.

1.5 The term 'Purchase Order' shall mean the communication signed on behalf of the Purchaser by an Officer duly authorized, intimating the acceptance on behalf of the Purchaser of the terms and conditions mentioned or referred to in the said communication accepting the Tender or offer of the Contractor for supply of stores.

2.0 TWO PART TENDER:

2.1 Part - I (Techno-commercial) should contain / include only technical specifications, technical details, literature to earlier supplies of similar stores, delivery schedule, inspection/testing procedure, term of price, mode and terms of payment, mode of despatch, the quantum and percentage of statutory levies payable by the purchaser as extra and all other related commercial terms and conditions for the supplies and for the services like erection/installation and commissioning to be rendered by the tenderers. This part of the tender, i.e. Part-I(Techno-commercial) shall be enclosed separately in an envelope duly sealed and superscribed with purchaser's tender number, 'Bid for Replacing Storage of Annapurna HPC Data center-Part I' and the last date and time specified for receipt and opening indicated in this tender document. The tenderer shall take special care NOT TO QUOTE the price of the stores in this part of the tender.

2.2 Part II(Price) shall include / contain only price, price break-up, freight/safe delivery charges, charges for training of the purchaser's scientists wherever applicable, lump sum charges for erection and commissioning work, testing charges if any, third party inspection charges if any, etc. This part of the tender i.e. Part-II(Price) shall be enclosed separately in another envelope and shall be duly sealed and superscribed with purchaser's tender number, 'Bid for Replacing Storage of Annapurna HPC Data center-Part II' and the last date and time specified for receipt and opening of price bid as indicated in the tender document.
3.0 TENDER OPENING:

3.1 While all the tenderers who submit tenders within the due date and time specified for its receipt will be permitted to participate in the opening of Part-I (Techno-commercial) of the tender on the due date and time indicated in the tender document, opening of Part-II (Price) of the tender can be attended only by such of those tenderers whose Part-I of the tenders are found to be technically suitable / acceptable to the purchaser and to whom intimation thereof is given by the purchaser by fax/telegram/letter/email etc.

3.2 The tenderers whose techno-commercial part (Part-I) are found suitable/acceptable to the purchaser, will be given advance intimation by the purchaser to enable such tenderers to depute their representative to participate in the opening of the Part-II (Price) of the tender. The technically unqualified tenderers will neither be given intimation about the due date and time for opening of Part-II of the tender nor will they be permitted to participate in the opening of the same. Part-II (Price) of the technically disqualified tenderers will not be opened.

3.3 Authority letter: The tenderers who wish to participate in the opening of the tenders may depute their representatives to the Institute of Mathematical Sciences with an authority letter to ensure the bonafides of the representative who participates in the opening of the tender. Generally, one representative of each tenderer will be permitted to participate in the tender opening.

3.4 If the date(s) specified for receipt and opening of the tenders is/are declared as holidays abruptly by the competent authority due to administrative reasons, then the due date(s) for receipt/opening of tenders will get postponed automatically to the next working day.

3.5 The purchaser may at his discretion, depending upon the time needed for completion of the technical evaluation, prepone or postpone the due date fixed for opening of the Part-II (Price) of the tender. If the opening of the Part-II of the tender is required to be postponed due to non-completion of the evaluation of Part-I (Techno-commercial) of the tender, indication towards postponement of the opening of the Part-II of the tender will be given to all the tenderers who have submitted the offers within the due date and time specified.

4.0 SECURITY DEPOSIT:

4.1 On acceptance of the tender, the successful contractor shall at the option of the Purchaser and within the period specified by him, deposit in cash or at the option of the Purchaser in such other form as the Purchaser may determine a Security Deposit not exceeding ten per cent of the tendered value of the contract.

4.2 If the Contractor fails to provide the security within the period specified such failure shall constitute a breach of the contract and the Purchaser shall be entitled to make other arrangements for the repurchase of the stores Contracted for at the risk and expense of the Contractor and/or to recover from the Contractor damages arising from such cancellation. No claim, shall lie against the Purchaser either in respect of interest if any due on Security Deposits or depreciation in value. In case the security deposit is submitted in the form of bank guarantee it should be submitted as per the format furnished by the purchaser from SBI or any one of the nationalised banks. This bank guarantee should be valid for two months.
beyond the satisfactory execution of the entire contract including erection, commissioning and acceptance.

5.0 ALTERATION OF SPECIFICATIONS, PATTERNS AND DRAWINGS:

The purchaser reserves the right to alter from time to time specification, pattern and drawings if necessary. The stores shall be in accordance with the specifications, patterns and drawings so altered. In the event of any such alteration involving an alteration in the costs and/or in the period required for delivery shall be made in relation to the alteration. The decision of the Purchaser, on the question whether the alteration requires modification in the costs and/or the delivery period shall be final and conclusive.

6.0 PACKING:

The contractor shall be held responsible for the stores being sufficiently and properly packed for transport by rail, road, sea or air so as to ensure their being free from any loss or damages on arrival at their destination. The packing and marking of packages shall be done by and at the expenses of the Contractor. Each package shall contain a Packing Note quoting Purchase Order number and date and showing its contents in detail.

7.0 QUANTITY:

The purchaser reserves the right to accept tenders for any quantity of his choice and tenderer shall be bound to accept a contract for any quantity. The purchaser also reserves the right to accept or reject lowest or any tender in full or in part without assigning any reasons.

8.0 STATUTORY LEVIES:

If it is desired to ask for excise duty or any other duties and taxes as extra the same must be specifically stated. In the absence of any such statement no claim for the same will be entertained. In case any refund of duty is granted by excise authorities/customs authorities in respect of the stores supplied under this contract the contractor will pass on the credit to the purchaser. In case of failure to do so, the purchaser would be empowered to deduct an amount equivalent to the amount refunded by the excise authorities without any further reference, from any of the Contractor's outstanding bills against this or any other pending contracts and no dispute on this account shall be raised by the Contractor. The contractor should also furnish a certificate in the format enclosed with the purchase order for reimbursement of the duties and the taxes paid.

9.0 SALES TAX/VAT:

Sales taxes/VAT where legally leviable and intended to be claimed should be distinctly shown along with the price quoted. Where this is not done no claim for sales tax/VAT will be admitted at any later stage and on any ground what so ever. A certificate for reimbursement of sales tax as per the format enclosed with the contract has to be furnished by the contractor.

10.0 SETTLEMENT OF COMMERCIAL TERMS AND CONDITIONS:

In case commercial terms and conditions for sale / contract stipulated in Part-I of the tender
submitted by the tenderer are at variance with the purchasers general conditions of contract, Director, Institute of Mathematical Sciences will settle the commercial terms and conditions of contract with the tenderer chosen for award of the contract by holding discussions with them or through correspondence. In case the tenderer concerned to whom an intimation thereof is given does not respond / fail to respond to communication sent within the specified date, his tender is liable for rejection at the discretion of the Director, Institute of Mathematical Sciences.

11.0 OFFERS FROM INDIAN AGENTS ON BEHALF OF FOREIGN SUPPLIERS:

In case the tender is submitted by an Indian Contractor / Indian agent on behalf of their foreign principals, the following document should be submitted with the tender failing which, their offer is liable to be rejected.

a) Duly attested photo copy of the agency agreement between the principals and the Indian agents showing the percentage or the quantum of agency commission payable and a letter of authority from the principals authorising the Indian agents to submit the tender on their behalf.

b) Copy of the registration certification with DGS&D on this account.

c) The type and nature of after sales services to be rendered by the Indian agents and documents to show that they are competent to carryout such services.

Indian agents are allowed to quote on behalf of only one foreign principal against this tender.

12.0 PAN/TAXES AND DUTIES REGISTRATION DETAILS:

The contractor should furnish a copy of the PAN card details and also copies of registration certificate relating to taxes and duties which are claimed, along with Part-I of the tender.

13.0 SUBCONTRACTING / SUBLETTING:

The tenderer in the event of his tender being accepted by the purchaser shall not assign/sublet or delegate the contract or any part thereof without the prior written consent of the purchaser. The contractor shall be solely responsible for the satisfactory execution of the contract, irrespective of the fact whether a part or a portion of a contract has been assigned or sublet by him to a sub-contractor even when such sub-contracting has been done with the prior written consent of the purchaser.

14.0 ERECTION AND COMMISSIONING:

Tenderers must clearly and separately furnish their offers, the terms for erection/installation and commissioning.

15.0 DELIVERY:

15.1 Time and date of delivery is the essence of the contract:
15.2 The date of delivery of the stores stipulated in the purchase order shall be deemed to be the essence of contract, and delivery must be completed not later than the dates specified therein.

15.3 Failure and Termination: Should the Contractor fail to deliver the stores or a consignment thereof within the period prescribed for such delivery, the Purchaser shall be entitled at his option either:

a) To recover from the contractor liquidated damages and not by way of penalty, a sum of 2% of the price of any stores which the Contractor has failed to deliver as aforesaid, for each month or part of a month, during which the delivery of such stores may be in arrears, OR

b) To purchase elsewhere, without notice to the Contractor and at the risk of the Contractor, the stores, not delivered or others of a similar description (where others exactly comply with the particulars or not and in the opinion of the Purchaser if readily procurable, such opinion being final) without canceling the contract in respect of the consignment(s) not yet due for delivery, OR

c) To cancel the contract or a portion thereof, and if so desired, to purchase or authorise the purchase of stores not so delivered or others of similar description (where others exactly comply with the particulars or not and in the opinion of the Purchaser if readily procurable, such opinion being final) at the risk of and cost to the Contractor.

15.4 In the event of action being taken under the above mentioned clauses, the contractor shall be liable for any loss which the Purchaser may incur on that account, provided that the repurchase or, if there is an agreement to repurchase then such agreement, is made within six months from the date of such failure. The Contractor shall not be entitled to any gain on such repurchase made against default. The manner and method of such repurchases shall be at the discretion of the Purchaser, whose decision shall be final. It shall not be necessary for the Purchaser to serve a notice of such repurchases on the defaulting contractor. This right shall be without prejudice to the right of the Purchaser to recover damages for breach of contract by the Contractor.

15.5 **Extension of time:** As soon as it is apparent that contract dates cannot be adhered to, an application shall be sent by the Contractor to the Purchaser. If failure, on the part of the Contractor to deliver the stores in proper time has arisen due to any cause which the Purchaser may admit as a reasonable ground for an extension of the time (and his decision shall be final) he may allow such additional time as he considers fit to be justified by circumstances of the case, without prejudice to the Purchaser's rights to recover liquidated damages.

15.6 However, if the contractor fails to apply and secure extension of contract for delivery dates before effecting the delivery of the supplies against the contract, acceptance of such stores by the Purchaser will in no way prejudice the rights of the Purchaser to levy the liquidated damages for delayed deliveries nor will it entitle the contractor for payment of statutory levies that come into force after the expiry of the contract delivery dates.

16.0 **ACCEPTANCE OF THE TENDERS:**
Acceptance of tenders by the purchaser will be sent by fax, telegram, email, letter etc. within the validity of the date of the tender and such a fax, telegram etc. would then be followed by a formal purchaser order / contract. The tenderer whose offer is accepted will proceed with the execution of the contract on the basis of such advance acceptance of tender without waiting for a formal purchase order / contract, and will be responsible to seek and obtain whatever clarifications that are necessary from the purchaser to proceed with the execution of the contract without waiting for a formal purchase order / contract and delivery period will be reckoned from the date of the Letter of Indent.

17.0 DESPATCH OF STORES AFTER EXPIRY OF DELIVERY PERIOD:

If the execution of the contract is not completed by the Contractor within the specified delivery date, it is the responsibility of the Contractor to obtain extension of the delivery period. If the stores are dispatched by the Contractor before obtaining an extension he would be doing so at his risk and no claim for payment shall lie against the purchaser either in respect of the cost of the stores dispatched or any other expenses which the Contractor may have incurred. It shall be of no defense that the consignee has taken delivery of the stores dispatched by the Contractor without getting an extension letter and therefore the contract has been kept alive. The purchaser can reject the supply made by the firm for the reason that it has been made after the expiry of the delivery date and simultaneously return the dispatched documents to the firm. The purchaser may accept the stores in case it is still required by the user and extend the delivery date subject to applicability of denial clause and right to claim the damages for delay in supply.

18.0. MARKING:

18.1 Each package delivered under the contract shall be marked by the contractor at his own expense on three sides of the package and such markings shall be distinct and shall clearly indicate the description and quantity of stores, name and address of the consignee, gross and net weight of the package, name of the contractor, ultimate destination, port of discharge etc.

The marking shall generally be as under:

Name and address of the consignee
The Director
Institute of Mathematical Sciences
IV Cross Road
C.I.T. Campus, Taramani
Chennai 600 113.

Contract Number and Date
No.......................................................

Date:

Brief description of Goods

Weight

Dimension
Ultimate Destination

Port of Discharge

Package Number

18.2 Each package shall contain a packing note specifying the name and address of the contractor, the number and date of the contract/purchase order, name and address of the consignee, description of the stores and the quantity contained in such package.

19.0 TEST CERTIFICATE/DOCUMENTS FOR CLEARANCE:

19.1 Test Certificate and Guarantees: Test Certificate and Guarantees, if required by the Purchaser shall be obtained and furnished by the contractor without any additional cost.

19.2 The Contractor shall be responsible to make available to the Purchaser the documents which are essential for arranging customs clearance in India. The contractor shall arrange through his bank to have the documents airmailed to the Purchaser's bank without any delay. He shall also arrange to forward directly to the Director, Institute of Mathematical Sciences three copies of non-negotiable Bill of Lading or Airway Bill as the case may be, along with a copy of the invoice and packing list. If the Purchaser incurs any extra expenditure by way of penalty payable to the Port Trust authorities in India or any other such expenditure due to delay in receipt of shipping documents specified by him, the contractor shall be responsible for making good such extra expenditure incurred by the Purchaser.

20.0 CONTRACTOR'S LIABILITY FOR DEFECTIVE STORES:

For the entire warranty period after the stores have been accepted by the Purchaser, the Contractor shall be responsible for any defects that may be discovered therein notwithstanding that such defects could have been discovered at the time of inspection or any defects therein are found to have developed under proper use, arising from faulty materials, design or workmanship and the Contractor shall remedy all such defects as aforesaid at his own cost provided he is called upon within two months after the expiry of the warranty period from the date of acceptance thereof to do so, by the Purchaser who shall state in writing in what respect the goods are faulty and further if in the opinion of the Purchaser the defects are of such a nature that it is necessary to replace any defective stores, such replacement shall be made by the Contractor without any extra costs to the Purchaser. The decision of the Purchaser, as to whether or not the stores delivered are defective or any defect has developed within the said warranty period or whether the nature of defects warrant replacement shall be final, conclusive and binding on the contractor.

21.0 REMOVAL OF REJECTION:

Any stores delivered and rejected by the Purchaser, the same must be removed by the Contractor within fourteen days from the date of receipt of intimation of rejection. Such rejected stores shall lie at the Contractor's risk from the time of such rejection and if not removed within the aforementioned time, the Purchaser shall have the right either to return the rejected stores to the Contractor at the Contractor’s risk by such mode of transport as the Purchaser may select or to dispose off and to appropriate such portion of the proceeds as may be necessary to cover any loss or expenses incurred by the Purchaser in connection
with the said sale. Freight to destination of stores rejected after examination at destination shall be recoverable from that Contractor at the Tariff Rate.

22.0 RECOVERY OF SUMS DUE:

Whenever any claim for the payment of, whether liquidated or not, arises out of or under this contract against the Contractor the Purchaser shall be entitled to recover the sum by appropriating, in part or whole, the security deposited by the Contractor. In the event of the security being insufficient or no security has been taken from the Contractor then the balance due is recoverable from the total sum or the sum which at any time hereafter may become due to the Contractor under this or any other contract with the Purchaser.

23.0 BANK CHARGES:

If the order is placed on EOM, the purchaser shall bear the bank charges payable to his Bankers, the Contractor shall bear the bank charge payable to his Bankers including the charges towards advising/amendments commissions.

24.0 LAW GOVERNING THE CONTRACT:

This contract shall be governed by the laws of India for the time being in force. The marking of all stores supplied must comply with the requirements of Indian Acts relating to Merchandise Marks and all the rules made under such Acts.

25.0 JURISDICTION:

The courts within the local limits of whose jurisdiction the Purchaser is located and purchase order is issued only shall have jurisdiction to deal with and decide any dispute arising out of this Contract.

26.0 PATENT INDEMNIFICATION:

26.1 The Contractor shall indemnify and keep indemnified the Purchaser from and against any and all claims, actions, costs, charges and expenses arising from or for infringement of patent rights, copyright or other protected rights of any designs, plans, diagrams, drawings in respect of the stores supplied by the contractor or any of the manufacturing methods or process adopted by the Contractor for the stores supplied under the contract.

26.2 In the event of any claim being made or action being brought against the Purchaser in respect of the matter referred above, the Contractor shall promptly be notified thereof and he shall at his own expense conduct all negotiations for the settlement of the same and any litigation that may arise there from.

26.3 In the event of any designs, drawings, plans or diagrams or any manufacturing methods or process furnished by the Contractor and their use thereof constitutes infringement of patent or any other protected rights, the contractor shall procure for the Purchaser, at no cost to the latter, the rights to continue using the same or to the extent it is possible to replace the same so as to avoid such infringement or modify them so that they become non-infringing but such modifications shall otherwise be to the entire satisfaction of the Purchaser.
26.4 The provision of this clause shall remain effective and binding upon the Contractor even after the completion, expiration or termination of the contract.

27.0 ARBITRATION:

i) In the event of any question, dispute or difference arising under these conditions or any condition contained in the Purchase Order or in connection with this contract, the same be referred to the sole arbitration of the Director, Institute of Mathematical Sciences or of some other person appointed by him.

ii) Subject to aforesaid, the Arbitration and Conciliation Act, 1996 and the rule there under and any statutory modifications thereof for the time being in force shall be deemed to apply to the arbitration proceedings under this clause. The Arbitrator shall have the power, to extend with the consent of the Purchaser and the Contractor the time for making and publishing the award. The venue of arbitration shall be the place as the Purchaser in his absolute discretion may determine.

28.0 EXERCISING THE RIGHTS AND POWERS OF THE PURCHASER:

All the rights, discretions and powers of the Purchaser under the contract shall be exercisable by and all notices on behalf of the Purchaser shall be given by the Director, Institute of Mathematical Sciences or any other person or persons authorised to enter into contracts on behalf of the Director.

29.0 LANGUAGE:

All tenders shall be made in ENGLISH in the prescribed form attached. Tenders submitted in any language other than English must be accompanied by English translation.

30.0 AGENCY COMMISSION:

Commission payable to the tenderer's Agents in India, if any shall be included in the price. Name and address of the Agents and the percentage of commission payable to them and included in the price shall be clearly indicated. The commission will be paid directly to the Indian Agents in equivalent Indian currency after the installation, commissioning and acceptance of the material.

31.0 RUPEE PAYMENT:

If the equipment is imported by the Indian tenderers, they should submit their offer only in Indian rupees. The Contractor will import the equipment against their own license if any and purchaser will not take any responsibility for import of the equipment including provision of license. Indian firms submitting the offer on their behalf should quote only in Indian rupee. If payment is to be made in foreign currency the tender should be from the original equipment manufacturer or on behalf of them by their authorised Indian agent.

32.0 PERFORMANCE BANK GUARANTEE:

After satisfactory execution of contract and acceptance of the stores by the user the Contractor shall furnish bank guarantee equivalent to 10% of the contract value towards
satisfactory performance of the stores supplied during the warranty period. This bank guarantee should be valid for two months beyond the warranty period. This bank guarantee should be furnished from SBI or any one of the nationalised banks or from reputed International bankers in the case of overseas Contractors as per the format enclosed with the purchase order / contract. The bank guarantee should be exactly as per the format enclosed. 20% payment along with installation and commissioning charges will be made only on receipt and acceptance of this bank guarantee.

33.0 **CONDITIONAL DISCOUNT:**

In case the tenderer offers any **conditional discount** with regard to acceptance of their offer within a specified period or for the specific payment terms, delivery, quantity etc. the purchaser will **not** take into **consideration** such conditional discount while evaluating their offer.

34.0 **PAST PERFORMANCE:**

If the past performance of the tenderer is not found to be satisfactory with regard to quality, delivery, warranty obligation and non-fulfillment of terms and conditions of the contract, their offer is liable for rejection by the purchaser.

35.0 **CATALOGUES/TECHNICAL LITERATURE:**

All necessary catalogues/drawings/technical literature data as are considered essential for full and correct evaluation of the offers shall invariably accompany the Part-I (Techno-commercial) of the tender.

36.0 **RESPONSIBILITY FOR COMPLETENESS:**

Any fittings or accessories which may not be specifically mentioned in the specification but which are usual or necessary, are to be provided by the Contractor without extra charge and the factory integrated HPC must be complete in all respects.

37.0 **INSPECTION AND FINAL TESTS:**

All tests necessary to ensure that the equipment complies with the specifications and guarantees shall be carried out at such place or places as may be determined by the Purchaser.

38.0 **INTIMATION ABOUT DELIVERY:**

As soon as the equipment is ready for dispatch and before dispatch the contractor should intimate the purchaser regarding readiness of the stores for shipment and the same shall be dispatched only after obtaining specific shipping authorization from the purchaser. This shipping authorization will be one of the document for payment.

39.0 **PAYMENT TERMS:**

39.1 80% of the contract value (other than installation and commissioning charges) will be paid against receipted delivery challan, inspection report issued by purchaser, invoice in triplicate
and advance stamped receipt.

39.2 Balance 20% along with installation and commissioning charges will be paid after satisfactory erection, commissioning and acceptance and after receipt and acceptance of performance bank guarantee.

40.0 DELAYS IN ERECTION:

Wherever erection/installation and commissioning of the equipment is the responsibility of the Contractor as a term of the contract and in case the Contractor fails to carry out the erection/installation/commissioning, as and when called upon to do so within the period specified by the Purchaser, the Purchaser shall have the right to get the erection/installation/commissioning done through any source of his choice. In such an event, the contractor shall be liable to bear any additional expenditure that the Purchaser may incur towards erection. The contractor shall, however, not be entitled to any gain due to such an action by the Purchaser.

41.0 INCOME TAX:

In respect of installation and commissioning charges claimed by overseas Contractors, they shall bear the income tax liability as per the rates prevailing at the time of undertaking the job in accordance with the income tax act in force in India, which at present is 10% of such charges.

42.0 TRAINING:

The proposal should include details of the training to IMSc personnel in the maintenance of the equipment/software supplied.
