

Workshop on  
**Modeling Infectious Diseases**  
September 4-6, 2006

**The Institute of Mathematical Sciences (IMSc)  
Chennai, India**

**The meeting will bring together biologists, clinicians and public health specialists working on infectious diseases with scientists from a modeling background.**

**The aim is to foster cross-disciplinary interactions which could lead to collaborations in the long term.**

**IMSc is a national institute for fundamental research in frontier disciplines of the physical, mathematical and computational sciences.**

**Organizers: Sitabhra Sinha and Gautam Menon (IMSc)**

**For details see <http://www.imsc.res.in/>**

**Confirmed speakers include:**

**Vineeta Bal (NII Delhi)**

**D Chowdhury (IIT Kanpur)**

**Aparup Das (NIMR Delhi)**

**Sunita Gakkhar (IIT Roorkee)**

**Niloy Ganguly (IIT Kgp)**

**Mohan D Gupte (NIE Chennai)**

**S S Manna (SNBNCBS Kolkata)**

**B Raveendran (ILS  
Bhubhaneswar)**

**Bhaskar Saha (NCCS Pune)**

**Parongama Sen (Calcutta Univ)**

**Somdatta Sinha (CCMB Hydbd)**

**Sudeshna Sinha (IMSc Chennai)**
