

Summer School Student Workshop

8th May – 17th May 2018

A Mathematics and Science workshop for high school students

The workshop is for students who are going into **classes IX – XII**.

The workshop will consist of **activity sessions**, **lectures** and **research talks** in a range of topics by students and professors of the institute. We hope to be able to share with students the curiosity and excitement that we have for mathematics, science and research.

The program is free. Lunch and snacks will be provided.

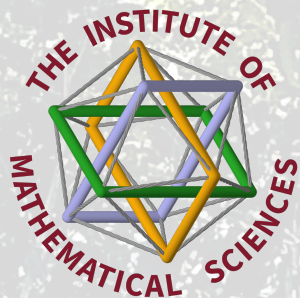

For details about the workshop, visit:
