

Teacher's Enrichment Workshop

A workshop for mathematics teachers of Engineering colleges

A program of the National Centre for Mathematics (NCM)
funded from J C Bose fellowship of Prof. T R Ramadas (CMI)
co-funded and hosted by The Institute of Mathematical Sciences (IMSc)

IMSc, Chennai
25th – 30th Nov 2019
09:00 - 17:00

Application details and updates:

https://www.imsc.res.in/outreach/TEW_engg2019/

Registration deadline: **11th November**

Selection notification: 18th November

The program is free. Lunch and snacks will be provided.

IMSc is unable to provide any assistance towards travel/accommodation.

20 μm

*This background features pollen from the *Nattwadumai* (*Terminalia catappa*) flower viewed under a Foldscope. It grows in the tropical regions around the world. The leaves are usually broad, ovoid, glossy dark green, but during the dry season, they turn reddish-maroon and yellow-brown before falling.
