

## EVALUATION PROCEDURE FOR TOPICS IN REPRESENTATION THEORY

INSTRUCTOR: AMRITANSHU PRASAD

Please refer to my website, which will be updated regularly, for detailed course information (including topics covered and references)

### ASSIGNMENTS

There will be fourteen assignments during the semester. Typically, assignments will be put up on my website by Friday evening and will be due the following Friday *before class*. A random subset of the assignment problems will be corrected, on which your score will be based. You may discuss assignment problems with your classmates, but may not copy solutions. Late assignments will not be accepted. Illegible or vague solutions will be marked as wrong.

### EXAMS

There will be two exams for this course:

- (1) Mid-semester exam on 27th September (Wednesday)(10AM to 1PM).
- (2) Final exam on 21st November (9AM to noon).

### GRADES

Grades will be based on your aggregate score which will consist of

- (1) Assignments: 40%.
- (2) Mid-semester exam: 20%.
- (3) Final-exam: 40%.

Grades will given differently for first year and second year students:

Grade	First year	Second Year
A	81-100	91-100
B	71-80	81-90
C	61-70	71-80
D	41-60	51-70
F	below 41	below 51

### OFFICE HOURS

I will try to be available to meet students with doubts about this course from 8AM to 9:30AM every morning.
