

The Institute of Mathematical Sciences

Aspects of Mathematics

a two-day mathematics programme

Dates: 30th June & 1st July 2014 (Monday, Tuesday)
Time: 0900 - 1800 hrs
Venue: The Institute of Mathematical Sciences (IMSc), Chennai
Ramanujan Auditorium

The programme will feature eight lectures
on various aspects of mathematics by experts engaged in research.

Who can apply

While the programme is primarily aimed at advanced **undergraduate (3rd BSc)** and **postgraduate (MSc)** mathematics students, anyone with an interest and background in college level mathematics is welcome. In particular, summer interns, PhD students, and post-docs in mathematics and related sciences, and teachers of mathematics at college level (BSc, MSc, Engineering, etc.) are encouraged to apply.

How to apply

To apply, register online at the web page of the programme:

<http://www.imsc.res.in/~knr/mathasp14/>

The deadline for registration is Thursday June 26th. The programme is free. Selection will be on first come first served basis for those meeting the eligibility criteria. The number of participants is limited, so it is advisable to register sooner than later. Selection decisions will be notified by email.

NOTES

Participants should make their own arrangements for travel and stay.

Lunch and snacks will be provided free to all registered participants on both days.

For more details and up to date information, visit the web page of the programme (URL as above).
