

Satellite conference on operator algebras (to ICM 2010)

This conference will be held at 'The Institute of Mathematical Sciences' in Chennai, India during August 9-13, 2010, in the week prior to ICM 2010 (slated for Hyderabad).

The proposed plan is to devote each of the five days of the workshop to one of the following sub-disciplines in operator algebras:

- (a) free probability
- (b) von Neumann algebras and ergodic theory
- (c) non-commutative geometry
- (d) operator spaces
- (e) subfactors
