

Center for Complex Systems & Data Science (CSDS)
The Institute of Mathematical Sciences
Chennai, India

presents

Workshop on

Spins, Games & Networks II

From Data to Discovery in Complex Systems

December 8 - 19, 2025

The workshop aims to introduce participants from the physical, biological and social sciences to theoretical & computational tools for data-based modeling of complex systems and phenomena

Topics to be covered include

Data Science, Complex Networks, Game Theory, Nonlinear Dynamics, Statistical Physics of Spin Systems, and more...
